## LAKE COUNTY | SONOMA COUNTY SAUVIGNON BLANC

In the spirit of discovery, our winemakers constantly explore different terroirs throughout California to discover regions that will partner perfectly with our Sonoma grapes and create wines that tell the story of the land.

### KEY HIGHLIGHTS

- Sourced from two of California's best regions for Sauvignon Blanc: Lake County and Sonoma County.
- The grapes from Sonoma County bring lively fruit flavors to the wine, while grapes from Lake County add bright acidity to create a well-balanced and refreshing wine.
- Aged in stainless steel tanks on the lees for 8 months to gain body then racked clean to retain the true varietal character of Sauvignon Blanc.

### TASTING NOTES

This Sauvignon Blanc has green apple, honeydew melon, toasted hazelnut and lemongrass on the nose with flavors of guava, jicama, lime and cucumber on a bright and refreshing palate.
