

2019
SONOMA COUNTY | SAN JOAQUIN COUNTY
ZINFANDEL

In the spirit of discovery, our winemakers constantly explore different terroirs throughout California to discover regions that will partner perfectly with our Sonoma grapes and create wines that tell the story of the land.

KEY HIGHLIGHTS

- Sourced from two of California's best regions for Zinfandel: San Joaquin County and Sonoma County
- The warm growing season and sandy soils of San Joaquin County produce Zinfandel with rich, peppery aromas that are the ideal balance with the concentrated ripe fruit characteristics from grapes in Sonoma County
- In 2019, heavy winter and spring rains recharged the soil after years of drought and a moderate summer made for a steady growing season. We fermented vineyard blocks from both regions separately and after oak aging, chose the best wines to combine for this unique blend.

TASTING NOTES

Blueberry and mixed berry pie dominate the nose with a hint of juniper. The palate is soft and lush with ripe red plum, smokiness, and a hint of white pepper, cinnamon and tarragon in the finish.
