

SIX RIDGES

2017

ALEXANDER VALLEY CABERNET SAUVIGNON

“Six Ridges” celebrates the unique character of Sonoma County’s best wine regions. These wines are named in honor of the mountain ridges that border our vineyards and create the distinctive terroirs.

TASTING NOTES

Aromas of ripe blackberry and boysenberry are joined by notes of rich cherry pie filling, underscored by dried herb and white pepper spiciness. This wine is full-bodied with smooth tannins that give way to a lingering, silky finish.

ALEXANDER VALLEY

Alexander Valley lies in the northeast of Sonoma County where mountains shelter the vines from the Pacific Ocean’s cooling influence. This warm climate is ideal for growing Cabernet Sauvignon wines of intense flavor and silky tannins, and the excellent drainage of the rich, gravelly soils provides unique depth and character to the wines.

FROM THE WINEMAKER

2017 had an earlier than usual bud break, and an unusually pleasant Spring which greatly accelerated the harvest date. Warm temperatures throughout the summer coupled with early budbreak gave us one of the earliest harvest in years. We harvested our Alexander Valley Cabernet Sauvignon grapes between September 29th and October 24th. Each vineyard lot was fermented separately on the skins for 15 to 30 days, then pressed, settled and racked to barrel where the wine was aged for 19 months in French, American, and Hungarian oak.
